

It's Christmas in July!

Who do you know that would benefit from the same Christ-centered education your child enjoys?

Tell them about Christian Center's benefits:

- Individualized instruction – Our ideal class sizes facilitate more one-on-one instruction.
- A strong parent/school partnership resulting in higher student achievement.
- Our "Love and Logic" discipline that promotes good choices.

What makes this "Christmas in July?" Talk to that person you have in mind and you could earn a **\$250 tuition reduction** for the 2009-2010 school year. Talk to neighbors, parents at Tee ball or soccer games, or to your friends at the pool. Christian Center will award you \$250 of tuition credit for each student you refer that enrolls by **July 31st**.
